Decorative Dessert Stand

Floral, décor, and styling by [Kio Kreations](#)

Supplies needed:

- Decorative paper or large paper doilies
- Circle templates (household items work, such as spools of ribbon)
- Decorative-edged scissors
- Pencil
- Magnolia Leaves
- Holly
- Cranberries
- Button Flowers and Fabric Flowers
- Glass Ornaments

Directions – paper doilies:

1. Measure your circle templates against your plate or stand to see which one is the perfect size
2. Trace your circle template onto the back of your paper
3. Cut out your circle with the decorative-edged scissors
4. Now you have a cute, decorative doily that is the correct size for your plate, tray or stand

Directions – decorative dessert stand:

1. Place doilies onto dessert stands. If your stands are connected, cut into your doily to make it fit onto each tray
2. Add some Magnolia leaves and holly to each tier start your display
3. Add your fabric flowers next
4. Add sweet treats and accent with cranberries and ornaments
